ABOUT

To some, OLA may be a word that simply rolls off the tongue, but it is so much more than just a word to us. OLA was created from a vision to provide a range of economical yet high-quality food products and packaging products to homes across Qatar. Our products embody our core values, with trust and quality being in the forefront, to create happy memories and healthy families!

With a dedicated team and experienced staff, we've successfully catered our products all across the Qatar market, offering essential products in Qatar's top market shelves. Our unwavering quality and dedication at OLA, has turned us into a leading household name among all sectors of the community.

VISION

To be recognized as a leading name in the food and packaging industry, by providing and maintaining high-quality and economical products and services. We will continuously strive to expand our products and services to be a prominent name in the global market by ensuring our excellence and reliability.

MISSION

To provide high quality yet affordable products across the community, without compromising on our values and prioritising customer satisfaction.

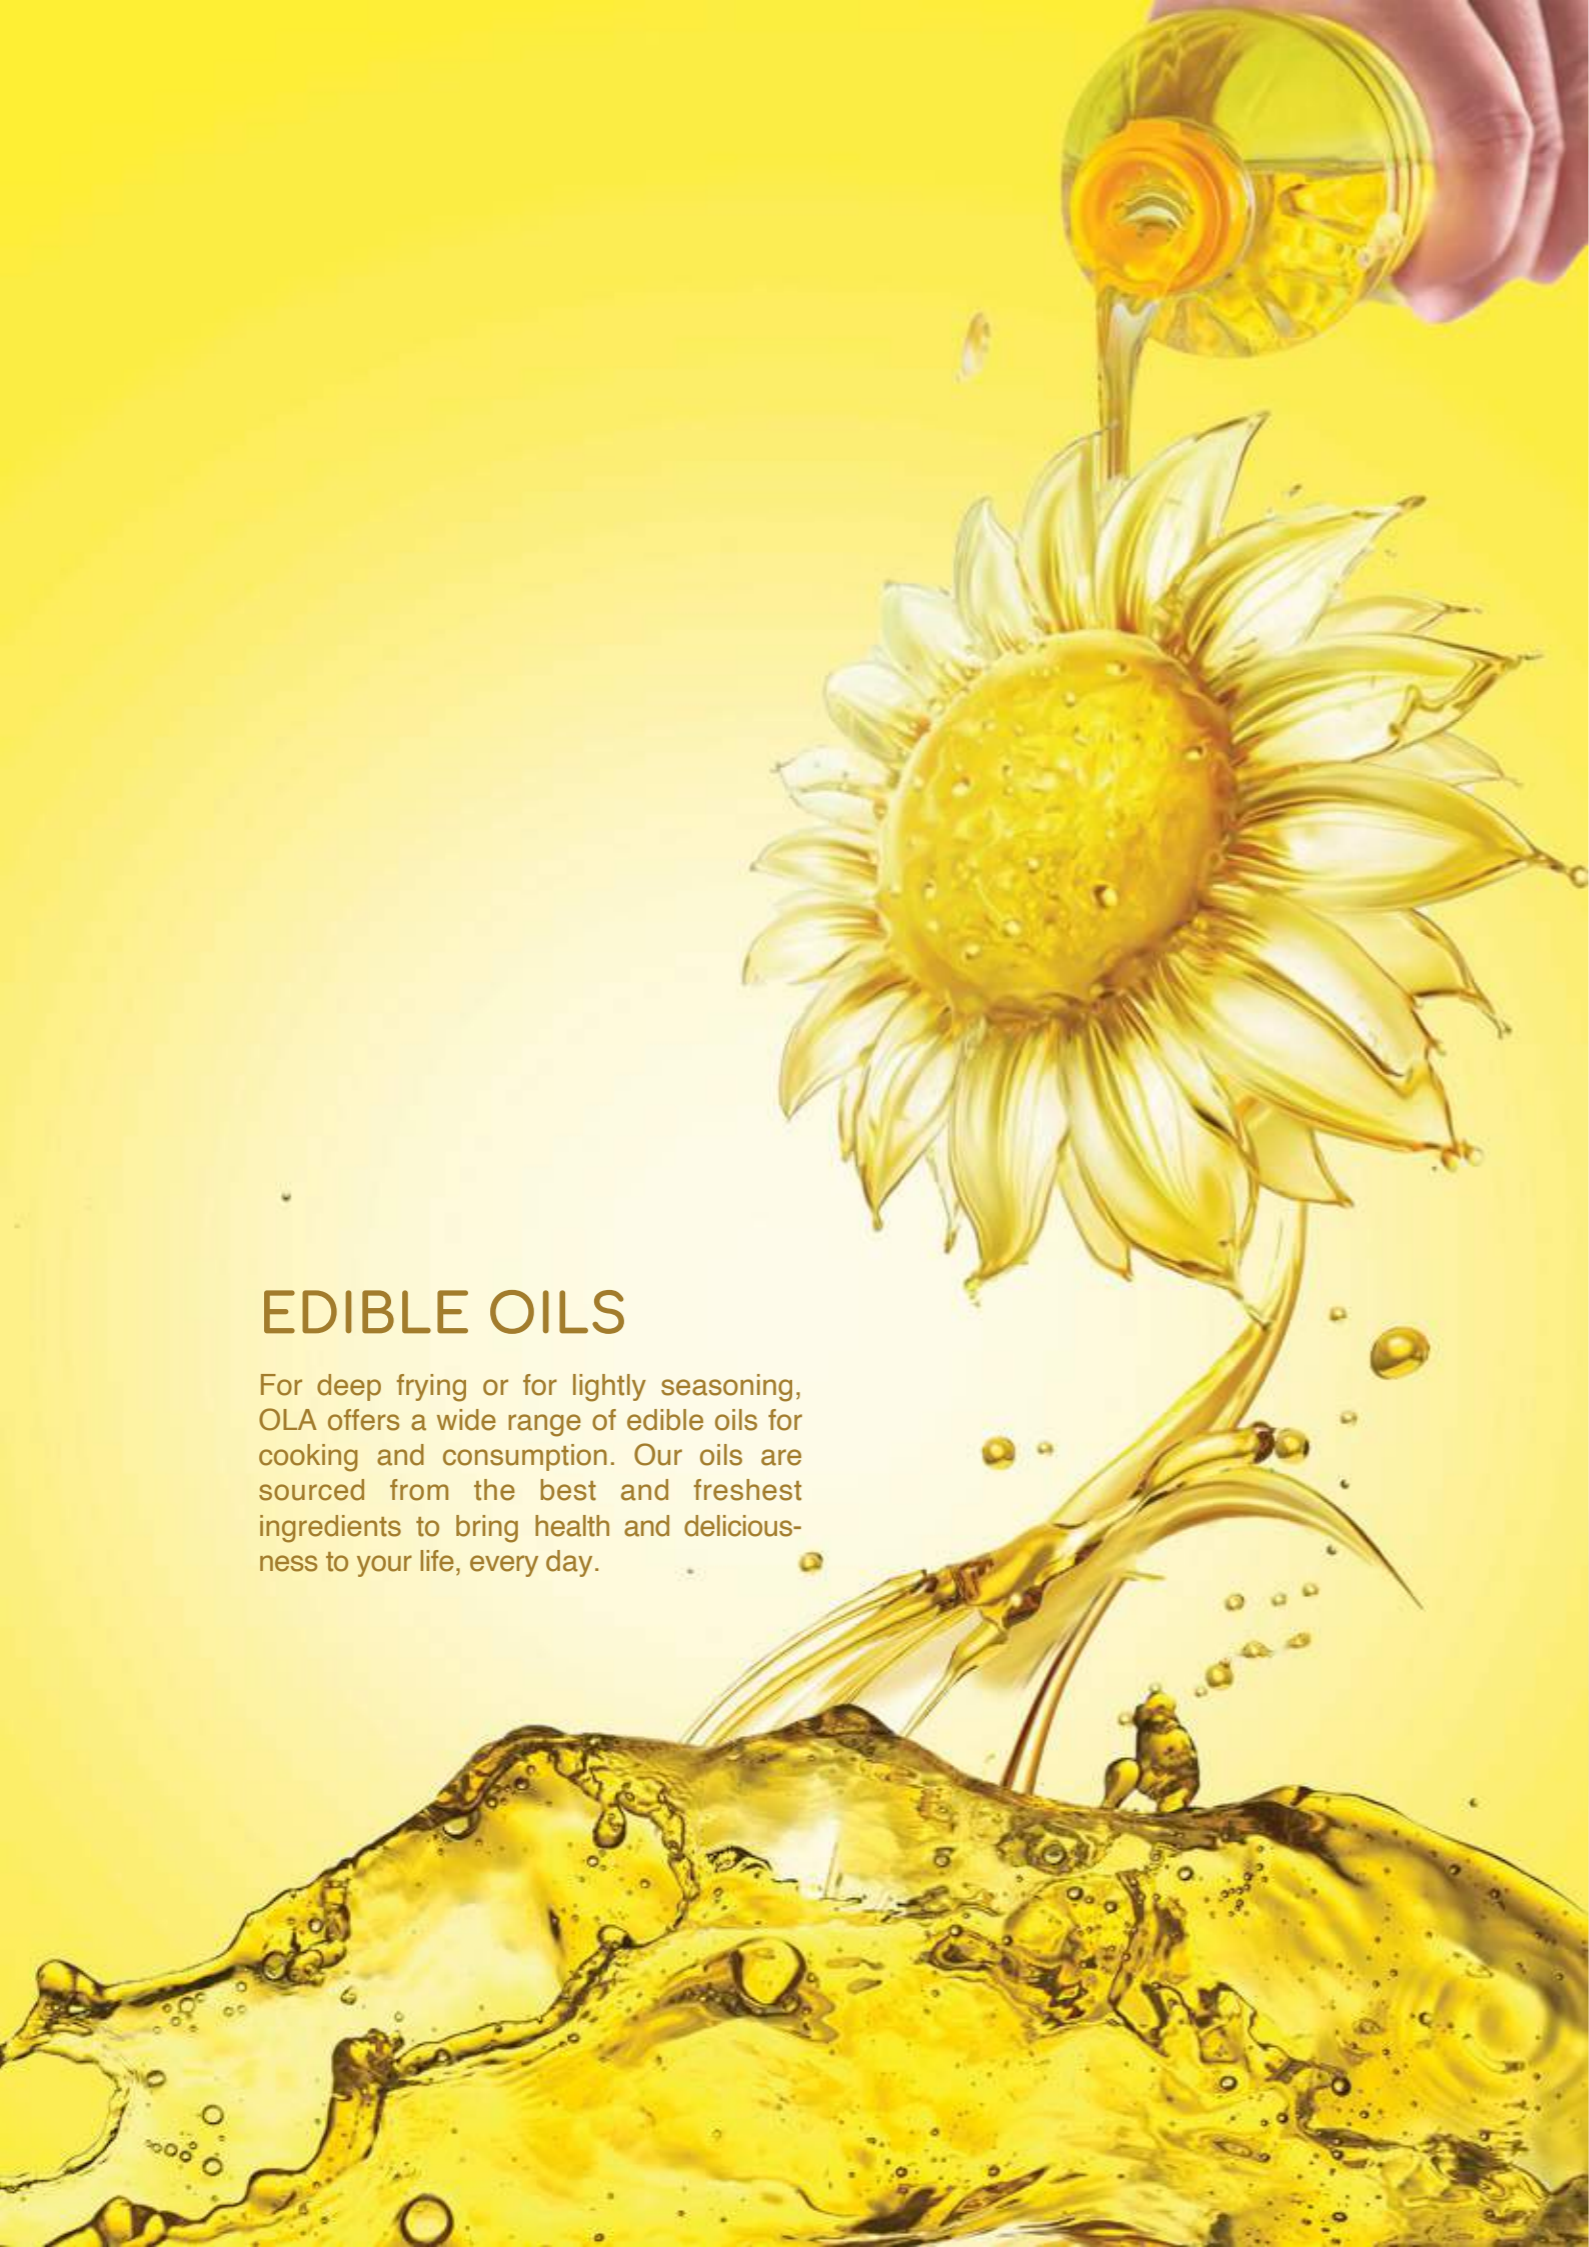

STORY

From day one, OLA has strived to provide only the finest and freshest ingredients to our customers and to go above and beyond to uphold our values. OLA was born from a dream to stock Qatar's shelves with an assorted range of accessible and high-quality products for a growing nation. We aim for professionalism and simplicity, yet we don't waver in our commitment to providing the finest.
